For the utmost in travel efficiency, choose Skyservice charter.

ENJOY A MULTITUDE OF BENEFITS

Access to Our Extensive Fleet

With Skyservice's modern fleet of corporate aircraft, we can arrange the perfect aircraft for your specific charter needs. Whether you require a piston engine, turboprop, light jet, mid-sized jet, large jet, long-range or ultra-long-range private jet, we will work with you to recommend, reserve and coordinate the best solution.

Boardroom in the Sky

Travel in spacious, well-appointed aircraft cabins that provide the same security, privacy and amenities of a quiet office, allowing you to conduct business while you travel.

Unparalleled Personalized Service

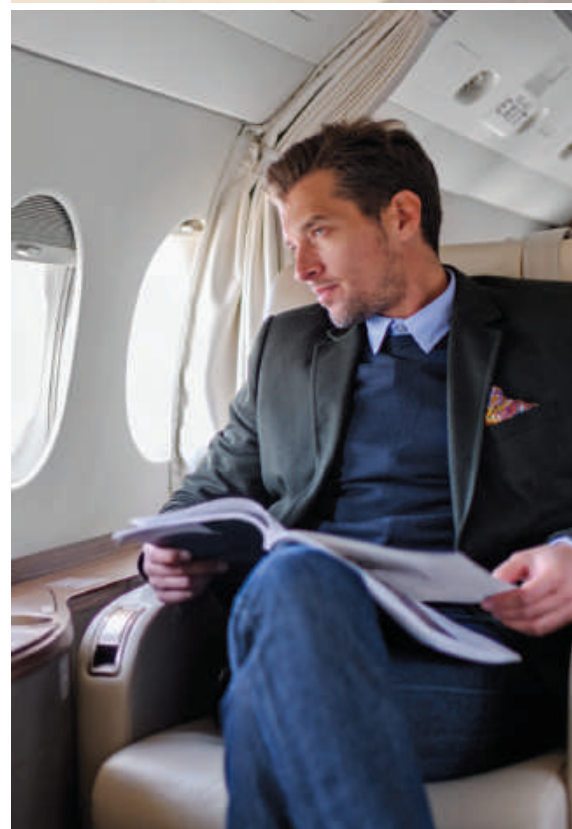

We take care of everything, from creating your personal flight schedule and identifying your preferred aircraft, to catering your in-flight meals and booking your flight staff. The convenience and time savings of charter are compelling — you're able to get closer to your destination, no matter how remote, without the inconvenience of stopovers or connections — and you can expect on-time arrivals and departures. Our experienced team is available 24/7 to help plan your trip and ensure every detail is perfectly executed.

Onboard Customs Clearance

Upon landing, customs officers can board your aircraft and allow you to clear customs before stepping off the plane — a discreet, peaceful and quick process.

Private Lounges (FBOs)

Refresh in our well-appointed lounges or conduct meetings in our private boardrooms — all benefits of a Skyservice charter experience.

FIXED-BASE OPERATIONS (FBOs)

SkyService's award-winning fixed-base operations (FBOs) welcome clients with first-class customer service, premium lounges stocked with amenities, 24/7 concierge service and ample ramp and hangar space at every location. Efficient processes are paramount to our high client satisfaction scores and integral to our ability to provide consistent and dependable service. Convenient, secure, safe and private, SkyService's private jet centres are consistently recognized as top-ranked FBOs in North America and Canada by aviation media.

Some of our FBO highlights include:

- New facilities are opening in Toronto, Seattle and Redmond, Oregon
- 24/7 on-site customs clearance with Canada Border Services and U.S. Customs and Border Protection
- Fuel types, including Jet A1, Jet A and 100LL, that differ by location
- 24/7 dedicated customer service representatives
- 24/7 aircraft maintenance services at most locations

Our FBOs are
consistently ranked
high across North
America.

AIRCRAFT SALES & ACQUISITION

If you are looking to sell or acquire an aircraft, Skyservice's experienced sales and acquisition team has the insight and leverage you need to facilitate the complex transaction with ease. As aircraft specialists, we are avid negotiators who empower you with all the information necessary to assess the intricacies of a sale or purchase. Our strong operator relationships yield widespread opportunities for aircraft promotion when you are selling and access to a much larger, global pool of available planes when you are in the market to buy.

Skyservice is a proud member of the International Aircraft Dealers Association (IADA). Only the best and most trusted aircraft brokerages are invited to join this prestigious organization, which requires its members to adhere to a stringent code of ethics. Our IADA credential attests to our integrity and commitment to transaction transparency.

Skyservice serves as the exclusive sales, service and dealer representative for the Honda Aircraft Company and also stewards the best-in-class HondaJet in Canada.

SAFETY & SERVICE YOU CAN TRUST

Skyservice is committed to delivering a consistent world-class level of safety and service to our clients throughout North America. With one of the best safety records in the private jet industry, the reliability of our maintenance and repair work is trusted throughout the world.

To assure our clients that they are flying with the best, Skyservice conducts rigorous independent safety audits annually and employees are active participants in state-of-the-art training sessions to continually up-tier their skills and introduce the latest innovations.

At Skyservice, we strive for mastery and excellence in everything we do. We look forward to serving your future aviation needs.

For locations in Canada, Skyservice holds the Platinum ARGUS rating, North America's most stringent aviation safety ranking for maintaining and exceeding the highest international safety and operations standards for the past 10+ years. In the United States, our Helena, Montana location holds the Gold ARGUS rating.

As a member of IADA, Skyservice is recognized as one of the best and most trusted aircraft brokerages adhering to a stringent code of ethics.

All Canadian locations hold the Safety-1st certification by the National Air Transportation Association (NATA). The Safety 1st Clean Standard is considered the highest certification providing general guidance on facility cleaning, disinfecting and facility operations.

Every day, our employees make essential contributions to address the needs of our clients, and ultimately, these efforts drive the success of our growing company.
